2019/2020 Sponsorship Form

Last Fall, the nearly 100-year-old Fullerton High School Gym was determined to be structurally unsound and was immediately closed to all activities. Its closure has displaced our Girls Basketball Program from the Fullerton Union High School campus and is jeopardizing many of the fundraising opportunities the program depends on.

Community support is needed more than ever!

Here is your opportunity to offer your support through advertisements in our 2019/2020 Game Program, with Banners and on our team website & app. Your donation will help provide needed funds for transportation, league fees, training, tournament fees, awards banquet and other team activities.
