## ***Athlete and Family Expectations***

***FUHS is not required to pay our program, we have to raise our own funds!!***

**Booster Meetings:** It is expected that all families will participate in booster meetings and functions to keep our program running smoothly while ensuring superior support for our girls throughout the year.

Booster meetings are held monthly. *Please join us!* Check the website [www.fuhs.wbb.com](http://www.fuhs.wbb.com) for dates and times.

**24 Hour Rule:** If you feel you need to address an issue with your daughter's coach please wait 24 hours BEFORE doing anything. To ensure you have a proper understanding of your player's situation it will be necessary for you to attend four practices and observe your daughter before meeting with this coach. If the meeting does not resolve your issues, you may request a meeting with the head coach. If that does not resolve the issue, you may contact the Athletic Director, Dr. Posthuma. It is imperative to observe this chain of command for everyone involved.

**Fundraisers:** This year we will fundraise with Firework Sales, See's Candy, Polly's Pies and Applebee's. Participation is crucial to raise funds for the cost of tournaments, uniforms, coaches and necessary items like training aids and basketballs.

**Volunteer Opportunities:** Having our girls serve their community as a group helps build a stronger team. Our program is looking for volunteer opportunities throughout the school year.

**Supporting Community Businesses:** Many businesses have generously contributed their time, food and money to our program. Show your appreciation by supporting these companies often! Sponsors are listed on our website [www.fuhs.wbb.com](http://www.fuhs.wbb.com)

**Athletes:** Are required to attend all practices unless their coach has been notified in ADVANCE. Dual Sport Athletes will participate only in sport that is currently in season - NO EXCEPTIONS! **All Athletes are expected to help**, including set up for snack bar, cleaning gym floor and keeping the team room clean.

**Donated Goods & Snack Bar:** Each family is expected to help with donations and working shifts for the snack bar to raise money for your daughter's program. The snack bar has proven to be an easy and convenient way to raise funds for the team! Signing up for snack bar shifts is easy, just go to [www.fuhs.wbb.com](http://www.fuhs.wbb.com) and click on the SNACK BAR link.

### **Items needed for SNACK BAR**
